The Tour Begins

In my study of Trinity Baptist Church in Kelowna, B.C., Canada, CHURCH was spoken more than CHRIST by a ratio of 3 to 1. Adversely, The NT mentions CHURCH less than CHRIST, by a ratio of 1 to 13. For the thinking evangelical, this is SCARY stuff! Like really.

The Tour Continues

At Evangel Church (Kelowna, B.C.) CHRIST is spoken. But to what degree? That is the issue. Sadly, CHURCH is emphasized much more than Jesus. Something.... is.... wrong. Like really.

Next Stop: Kelowna Christian Center

Kelowna Christian Center was the outcome of an ugly church split. It was a church split from Evangel Tabernacle that gave birth to KCC. Bitterness from the Evangel camp lasted years. Families were divided, accusations exchanged, and on and on. It really was ugly.

KCC.... Again

Because evangelicalism competes with the Lord Jesus for the hearts of God's people, Jesus wants the veil that hides evangelicalism to be removed. I unveil evangelicalism by unveiling evangelical churches. Thus this second visit to KCC.

Larry Jones vs Carey Nieuwhof

Compromise Cripples

Compromise devalues one's relationship with the Lord Jesus. Devotion to Christ is diluted to the degree one compromises. The branch (the christian) is still attached to the Vine (Lord Jesus), but the connection is less firm.

Poor Mary Magdalene
